NARRATIVE

On 01-01-2021 I was working uniformed patrol in the city of Seattle as 3-CHARLIE-1 in a fully marked patrol vehicle. At approx. 2233 hours I was dispatched to 1519 12 Av Seattle (NW Corner). Call Remarks

NW CORNER BARRIER WALL ENTRANCE TO THE SALLY PORT ENTRANCE

Shortly prior to our arrival the East Precinct clerk reported that there was two subjects "tagging" the northwest corner of the precinct. The clerk provided the descriptions of the two unknown suspects (1/ SUPS WRG LT COLORED CLOTHING, ... 2/ DRK JKT, DRK PANTS, DRK SHOES W/ WHT SOLES). Officers stepped outside via the roll call room and observed ARRESTED/Derek Tuscon and ARRESTED/Robin Snyder at the northwest corner of the East Precinct standing next to the wall. Both Derek and Robin matched the description provided the clerk. Officers placed both into handcuffs and walked them into the East Precinct as there was a approx. 6-10 agitated individuals outside yelling.

Once separated from the crowd I return to the clerk's desk and reviewed the footage with him. The footage shows Derek and Robin writing on the exterior wall with an unknown object later determined to be charcoal. Officers on scene observed black writing on the wall which the clerk reported to be new, photos were later taken.

Both Derek and Robin were read Miranda and advised they were under arrest for property destruction. Derek post Miranda admitted to writing on the wall with the charcoal, officers did not recover it at the scene.

While officers were conducting their investigation, the small crowd continued to stay at the NW corner of the East Precinct despite officers being gone. During this ARRESTED/Erik Moya-Delgado and ARRESTED/Monsieree De Castro were also captured camera writing on the wall of the East Precinct. Both were advised they were under arrest for property destruction, read Miranda and searched incident to arrest. It should be noted that while on scene officers observed pink writing on the wall which matched the chalk discovered in Erik's pocket. Officers also discovered pink chalk on Monsieree which was later submitted to evidence along with Erik's.

I reviewed SMC 12A.0820 "Property Destruction" and observed it stated a person is guilty if

1. Intentionally damages the property of another; or

2. Writes, paints or draws any inscription, figure or mark of any type on any public or private building or other structure or any real or personal property owned by any other person.

NARRATIVE

On 01-01-2021 I was working uniformed patrol in the city of Seattle as 3-CHARLIE-1 in a fully marked patrol vehicle. At approx. 2233 hours I was dispatched to 1519 12 Av Seattle (NW Corner). Call Remarks

NW CORNER BARRIER WALL ENTRANCE TO THE SALLY PORT ENTRANCE

Shortly prior to our arrival the East Precinct clerk reported that there was two subjects "tagging" the northwest corner of the precinct. The clerk provided the descriptions of the two unknown suspects (1/ SUPS WRG LT COLORED CLOTHING, ... 2/ DRK JKT, DRK PANTS, DRK SHOES W/ WHT SOLES). Officers stepped outside via the roll call room and observed ARRESTED/Derek Tuscon and ARRESTED/Robin Snyder at the northwest corner of the East Precinct standing next to the wall. Both Derek and Robin matched the description provided the clerk. Officers placed both into handcuffs and walked them into the East Precinct as there was a approx. 6-10 agitated individuals outside yelling.

Once separated from the crowd I return to the clerk's desk and reviewed the footage with him. The footage shows Derek and Robin writing on the exterior wall with an unknown object later determined to be charcoal. Officers on scene observed black writing on the wall which the clerk reported to be new, photos were later taken.

Both Derek and Robin were read Miranda and advised they were under arrest for property destruction. Derek post Miranda admitted to writing on the wall with the charcoal, officers did not recover it at the scene.

While officers were conducting their investigation, the small crowd continued to stay at the NW corner of the East Precinct despite officers being gone. During this ARRESTED/Erik Moya-Delgado and ARRESTED/Monsieree De Castro were also captured camera writing on the wall of the East Precinct. Both were advised they were under arrest for property destruction, read Miranda and searched incident to arrest. It should be noted that while on scene officers observed pink writing on the wall which matched the chalk discovered in Erik's pocket. Officers also discovered pink chalk on Monsieree which was later submitted to evidence along with Erik's.

I reviewed SMC 12A.0820 "Property Destruction" and observed it stated a person is guilty if

1. Intentionally damages the property of another; or

2. Writes, paints or draws any inscription, figure or mark of any type on any public or private building or other structure or any real or personal property owned by any other person.

Based on the footage that officers observed through the East Precinct cameras I determined there was probable cause to arrest them for property damage.

All of them were later transported to KCJ without further incident. Officer Nelson later discovered a live stream of the incident which he downloaded and submitted to evidence.

It should be noted that when I checked Mark 43 I observed Erik, Derek and Alexandera had been arrested previous time for crimes such as obstruction, trespassing and failure to disperse. Monsieree has also been arrested in Seattle for trespassing and obstruction.

Call Remarks NW CORNER BARRIER WALL ENTRANCE TO THE SALLY PORT ENTRANCE Shortly prior to our arrival the East Precinct clerk reported that there was two subjects "tagging" the northwest corner of the precinct. The clerk provided the descriptions of the two unknown suspects (1/ SUPS WRG LT COLORED CLOTHING, ... 2/ DRK JKT, DRK PANTS, DRK SHOES W/ WHT SOLES). Officers stepped outside via the roll call room and observed ARRESTED/Derek Tuscon and ARRESTED/Robin Snyder at the northwest corner of the East Precinct standing next to the wall. Both Derek and Robin matched the description provided the clerk. Officers placed both into handcuffs and walked them into the East Precinct as there was a approx. 6-10 agitated individuals outside yelling. Once separated from the crowd I return to the clerk s desk and reviewed the footage with him. The footage shows Derek and Robin writing on the exterior wall with an unknown object later determined to be charcoal. Officers on scene observed black writing on the wall which the clerk reported to be new, photos were later taken. Both Derek and Robin were read Miranda and advised they were under arrest for property destruction. Derek post Miranda admitted to writing on the wall with the charcoal, officers did not recover it at the scene. While officers were conducting their investigation the small crowd continued to stay at the NW corner of the East Precinct despite officers being gone. During this ARRESTED/Erik Moya-Delgado and ARRESTED/Monsieree De Castro was also captured on photo writing on the wall of the East Precinct. Both were advised they were under arrest for property destruction, read Miranda and searched incident to arrest. It should be noted that while on scene officers observed pink writing on the wall which matched the chalk discovered in Erik s pocket. The chalk was later submitted as evidence and photos were taken of the damage. I reviewed SMC 12A.0820 Property Destruction and observed it stated "writes, paints or draws any inscription, figure or mark of any type on any public or private building or other structure or any real or personal property owned by any other person." As all four individuals were observed doing this I confirmed there was probable cause for their arrest for the crime of Property Destruction.

NARRATIVE

The following is a summary of the event based on memory and brief notes taken during the preliminary investigation. Any omissions, errors, or inaccuracies are inadvertent:

On 01-01-2021 at about 2233 hrs while working uniformed Patrol as the SPD East Precinct Clerk, I was monitoring the multiple video cameras recording on and around the Precinct. As I watched, two individuals (later identified as A/Tucson and A/Snyder) approached the NorthWest corner of the Precinct security wall and began tagging/writing on the West-facing side of that corner. Between 2233 hrs and 2256 hrs, a total of four individuals approached this section of the wall, including the North-facing side of the NorthWest corner, or the North-facing side of the Precinct near/around the ramps, and damaged the walls. These four individuals were A/Tucson, A/Snyder, A/Moya, and A/De Castro. I had unobstructed and continuous views of all four individuals (A/Tucson, A/Snyder, A/Moya, and A/De Castro) from the point I first saw them damaging the Precinct walls until Officers contacted/arrested them. I was able to direct Officers to these four individuals and verify the correct arrests. I had no doubts that A/Tucson, A/Snyder, A/Moya, and A/De Castro were the correct persons/arrests. The arrests occurred around 2234 hrs, 2238 hrs, 2250 hrs, and 2256 hrs.

After directing/verifying the four arrests, I took 16 digital photographs of the damages A/Tucson, A/Snyder, A/Moya, and A/De Castro caused. I uploaded these photographs using AXON Capture. Finally, I completed this Officer Statement and forwarded it as required.

This report was generated in Mark43 and the e-signature was affixed using the undersigned officer s unique login and password. I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct to the best of my knowledge and belief.

NARRATIVE

On 01/01/21, I was working uniformed patrol for the Seattle Police Department as 3E31. At 2233 hours, I was dispatched to a property damage call at the East Precinct at 1519 12 AV. The call notes read "NW CORNER BARRIER WALL ENTRANCE TO THE SALLY PORT ENTRANCE," and I heard the East Clerk identify one of the suspects grafting the wall.

I arrived at the precinct after officers took the first suspect, A/TUSCON, Derek into custody for the crime of Property Damage (SMC 12A.08.020) which specifically states "A person is guilty of property destruction if he or she... Writes, paints or draws any inscription, figure or mark of any type on any public or private building or other structure or any real or personal property owned by any other person."

As I entered the precinct, I observed one of the known protesters, who goes by the name Future Crystals on Instagram, live streaming from his phone. I parked inside the precinct and began watching his public live stream. I would later download this and submit it as evidence.

On his live stream I observed A/SNYDER, Alexandra, who was next to A/TUSCON at the time of his arrest, begin defacing the East Precinct barrier wall once officers were inside the precinct. I observed this on both Future Crystal s live stream and on the East Precinct security cameras.

I exited the precinct, drove to the sally port entrance where the people were gathered defacing the barrier wall, activated my lights and placed A/SNYDER under arrest for Property damage, the same crime A/TUSCON was arrested for minutes before. Another officer walked her inside and placed her in a cell after searching her.

I once again began watching Future Crystal s live stream.

On his live stream I observed A/DECASTRO, Monsieree, who was near A/SNYDER at the time of her arrest, begin defacing the East Precinct barrier wall once officers were inside the precinct. I once again observed this on both Future Crystal s live stream and on the East Precinct security cameras.

I once again exited the precinct, drove to the sally port entrance where the people were gathered defacing the barrier wall, activated my lights and placed A/DECASTRO under arrest for Property damage, the same crime A/TUSCON and A/SNYDER were arrested for minutes before. Another officer walked her inside and placed her in a cell after searching her.

A/MOYADELGADO was also later arrested for the same crime after he was seen on East Precinct security camera footage committing the crime of Property Destruction. He was also with the group when the above people were arrested.

I have downloaded the live stream that Future Crystals made publicly available and will submit it as evidence.

NARRATIVE

On 01/07/20, I submitted a CD with video evidence regarding the attached report and property damage by protesters.

The video shows our arrestees defacing the barrier protecting the east precinct, clearly committing the crime of Property Destruction (SMC 12A.08.020).

The video was uploaded onto an Instagram account called Future_Crystals_Two, which is owned by a ADERA, Chai M (11/12/95). I personally saw ADERA on the night of this incident. I recognized him through his mask and I also recognized his voice.

Officer Statement

SUPPLEMENT TYPE

Statement

NARRATIVE

On 2-8-2021 I was working uniformed patrol in the City of Seattle as 3-CHARLIE-1 in a fully marked patrol vehicle. Prior to roll call I became aware of a article published by southseattleemerald.com on 2-8-2021

In this article the writer SUBJECT/Carol Bick alleges to have spoken to "Robin", "Monsieree" and "D.T" on 1/25/2021 regarding arrests made by police on 1/1/2021 and 12/18/2020. In report number 2021-000736 officers arrested Robin Synder, Monsieree Decastoro and Derek Tuscon for property destruction.

In the article it states that D.T (Derek Tuscon) and Robin (Robin Synder) admitted to writing on the wall of the Precinct. The articles mention that the suspects had used "charcoal" and "chalk" to deface the walls of the Precinct which was correct. Based on the similarity of the names and intimate information such as Robin's prolonged stay at KCJ it leads me to believe that Carol Bick did speak with the previously arrested.

If this is true, then all arrested individuals mentioned previously admitted to committing Property Destruction. (definition below).

12A.08.020 - Property destruction.

1. A person is guilty of property destruction if he or she:1.Intentionally damages the property of another; or2.Writes, paints or draws any inscription, figure or mark of any type on any public or private building or other structure or any real or personal property owned by any other person.

I later submitted a copy of article into evidence and attached a link to the bottom of this statement.
